BOTOX Referral Form:

Currently there is no wait time for Botox treatment for Chronic Migraine.

Patients have the option to self-book treatment or a complimentary information session without a referral at:

structureclinic.janeapp.com

Patient Name:
Address:
Phone:
DOB:

Referring Provider Name:
Phone:
Fax:
Address:

Reason for Referral:

- Botox for chronic migraine
- Assessment and treatment of TMJ Dysfunction
- Integrative Pharmacological Treatment & Lifestyle Recommendations
- Mindfulness for Chronic Stress/Pain Management

Candidates for Botox (check all that apply):

- The patient has "Chronic Migraine" (15+ headache days on any 3 of the last 12 months)
Note – Post Traumatic Headache (with migraine features) may also be Botox candidates
- Secondary headaches have been ruled out (please attach any imaging reports)
- The patient has private insurance coverage OR is willing to pay for the Botox out of pocket
NOTE – private insurance companies often require trial of 2 oral migraine prophylaxis to approve migraine tx
- Botox for TMJ: Patients will be assessed on an individual basis as dosage and protocol varies

List all past and/or current migraine prophylaxis (medication, dose, duration of use):
Additional patient information:

Professional Designation

Christie Tait is a Nurse Practitioner with clinical experience in headache disorders, mild traumatic brain injuries, and associated sequelae of persisting post-concussion symptoms. She is skilled in management of persisting chronic headaches with both pharmacological and non-pharmacological evidence-based strategies and has extensive experience managing chronic migraine and TMJ with Botox.
